PART-TIME STUDENTS ELIGIBLE FOR PTK TOO

The membership requirements given in last week's Monday Report for Phi Theta Kappa were not complete. Part-time students are also eligible, advisor Debbie Grimes has asked us to add.

Membership applications are on file in the library if you wish to apply. Deadline for applications for the spring initiation is Tuesday, April 13.

Complete requirements for membership are:
full-time student: 3.2 QPA for two consecutive quarters.

part-time student: 3.2 QPA for four consecutive quarters (minimum of 25 quarter hours completed).

Spring initiation ceremony for PTK will be Friday, April 16, at 7 p.m. in the auditorium. Members, new initiates, families and other students are invited. Faculty members are especially urged to attend.

Pat Seymour from the University of Alabama will be the guest speaker. Recipients of the 1982 high school scholarships will be announced. A reception will follow the ceremony.

Please attend! If you have any questions, contact a PTK member, Ms. Grimes or Mrs. Dohrman.

SHELTON CELEBRATES NATIONAL LIBRARY WEEK

To celebrate National Library Week, April 18-24, Shelton State will feature this year's theme, "A Word to the Wise - Library." To see your teacher's favorite "words to the wise," check the library bulletin board.

The library will be giving away free bookmarks featuring "Annie" - for as long as they last. You'll have to be one of the first to get a free bookmark.

The library will be doing some rearranging (yes, again) around the end of the month. Consequently, the library will close at noon, Friday, April 23. Please keep this in mind when you make plans to use library materials; we'll be making a lot of noise, so the library will not be a good place to study or do research on April 23.

If you have attended Shelton State for one quarter, you are eligible for membership in the Alumni Association. So come on out; bring your sack lunch and we'll provide the drinks. We think you'll be glad you did.

SHELTON SINGERS TO SING AT TCHS

NEWS AROUND SHELTON STATE

Rosalind Connor is featured in this month's issue of Alabama Monthly as people to watch across the state of Alabama. We at Shelton have certainly been fortunate to watch Rosalind at many different places this past year.....The Shelton State tennis tournament is turning into a real fun event. Didn't know we had so many super players, including Linda Mason with her 130 mph serve! Notes on the Folk Festival: It was a really fun event and my personal thanks to everyone who worked so hard and long on it. All of the visiting speakers and exhibitors were great. Everyone looked so cute in their folksy costumes and the luncheon was really tasty. Our early pioneer ancestors certainly had nothing on us.

Allison McCarty, first runner-up in the 1982 Miss Shelton State Pageant, is participating in the Miss Tuscaloosa Pageant this week-end. As the Monday Report goes to press, the results of the contest are not known. We do, however, wish Allison all the luck she needs.
